URL change for Travel Manager in effect Monday

A new URL for Travel Manager goes into effect Monday. The Agency-wide Travel Manager system is being moved to another server. On Monday, users will need to delete the old Travel Manager icon and URL from computer desktops and "favorites" folders and use the new URL at <https://nasatravel.ifmp.nasa.gov/>. Until Monday, users should continue to use the old URL. For more information or assistance, call 544-4357, Option 0.

Blood drive Friday; supplies 'dangerously' low

The American Red Cross is dangerously low on several types of blood. A blood drive will be 8 a.m.-1:30 p.m. Friday in Bldg. 4316. Red Cross officials said although there is a shortage of all blood types, there is a desperate need for O Negative, O Positive, B Negative and B Positive.
